

Young Energy Professionals Network (YEPN)

Mission Statement & Vision

Empowering future leaders to advance Canada's evolving energy landscape.

Focus Areas

Foster open, honest communication and diversity of thought with a focus on **Connection, Development & Diversity**.

Overview

The YEPN serves as a platform for engaging ambitious young professionals to inspire them to become the next generation of energy leaders, capable of solving the country's most pressing challenges regarding energy and sustainability and shaping the vision of tomorrow's diversified energy system.

The YEPN offers cross-sectoral education, dialogue and networking opportunities in a safe, welcoming and collaborative atmosphere. It is a network **for Young Energy Professionals by Young Energy Professionals**.

Member Benefits

- Connect with a diverse network of energy peers from across Canada
- Engage with public figures and senior energy leaders
- Take part in professional and career development, including the **YEPN Network & Mentorship Program**
- Participate in **Energy & Espresso** and other networking events
- Gain public speaking, leadership and presentation experience
- Share knowledge and learn from others across energy sectors
- Build a systems-based understanding of Canada's diversified energy industry
- Engage with other international Young Energy Professional Networks and share Canada's energy story

The YEPN will strive to:

- Establish a vehicle for strategic thinking, collaboration and action in the interest of national, continental and global energy challenges.
- Enable active engagement, collaboration, communication, discussion, corporate engagement and networking amongst YEPN members, industry leaders and guest speakers.
- Bridge the generation gap between young professionals and senior leaders.
- Draw upon cross-sectoral expertise of the industry to bring awareness to Canada's energy climate.
- Achieve and maintain a culture of excellence within the YEPN.
